

Garant
Shank with magnet / quick-change coupling, Hexagon shank: 6,3

Order data

Order number	675050 6,3
GTIN	4045197611598
Item class	61F

Description
Version:

Two-piece, i.e. shank and bit are separate. This means that in case of wear, only the relevant bit has to be replaced.

Adaptor with automatic **quick-change coupling** and magnet **for C 6.3 and E 6.3 bits** (the magnet holds the screw).

- **Holder for C 6.3 and E 6.3 bits.**
- **The sleeve clicks into the open position. It locks automatically when a bit is inserted.**
- **Even the smallest bits can be removed without problems, since the sleeve lifts the bit away from the magnet - quick change of bits, always one-handed.**

Technical description

Hexagon shank	6.3 mm
overall length	50 mm
Hexagon drive	D 6.3 (1/4 inch)
Machine drive	E 6.3 (1/4 inch)
suitable for machine	yes
Type of product	Bit holder
