AMPED™ HEARING HEADPHONE

Introducing Lucid Audio's AMPED™ Hearing Headphones that let you hear and adjust both internal audio AND outside sounds. Now you are in control of what you hear and how you hear it. Lucid Audio's exclusive AMPED smart technology amplifies the outside world up to 9X so you can enjoy conversation and be aware of your surroundings while enjoying quality sound from your media device. With the Hearing Headphones you can even take calls on your smartphone. The AMPED Hearing Headphones' two Hi Gain omnidirectional microphones enhance the ambient sounds with the touch of a button. You choose exactly what you want to hear, when you want to hear it.

Company Information

At Lucid Audio, our patent pending AMPED™ equipment amplifies the outside world for clearer conversations and more enjoyable experiences. We help people hear better at all ages and stages. Our products span the range from infant and child protective ear muffs to AMPED audio devices. Lucid Audio's advanced technology allows you to hear more of what you want, less of what you don't. Lucid Audio products are unique in the industry, providing amplification inside and out, enjoyment of music, calls and media.
