

# WATERPORT FORD MOUNT™

Easily attaches your 4 Gallon WaterPORT to any Ford F-Series Truck 2015 or newer

## Ultimate solution for Ford F-Series truck owners

The WaterPORT 4 Gallon Ford Mount is the ultimate solution for Ford F-Series truck owners seeking a hassle-free way to transport running water wherever their adventures take them. Replacing the traditional bed cleat in all Ford trucks, this innovative mount requires no additional hardware, ensuring effortless installation.

The integrated ratchet strap attachment point allows you to secure your gear, transforming your WaterPORT mount into a versatile tie-down solution for hauling extra equipment like dirt bikes and bicycles.

### Features:

- **Ford Truck Compatibility:** Specifically designed to replace the bed cleat in all Ford F-Series trucks (2015 or newer), ensuring a seamless fit for Ford owners.
- **No Additional Hardware Required:** Hassle-free installation without the need for extra tools or accessories, saving you time and effort.
- **Portable Water Supply:** Easily attach and detach the WaterPORT 4 Gallon tank, providing you with a convenient source of water wherever you go.
- **Ratchet Strap Attachment Point:** Equipped with a secure attachment point for ratchet straps, enabling you to tie down gear such as bikes and dirt bikes for safe transport.
- **Durable Steel Construction:** Built with a sturdy 4mm steel plate, powder-coated in black for enhanced durability and resistance against wear and tear.

- **Inspired Design:** Crafted in response to the overwhelming popularity of Ford F-150, the number one selling truck in the US, ensuring a design tailored to the needs and preferences of Ford owners.
