

Non-Sparking Telescoping Response Shovel

TLS1000 For Saturated Absorbents or Spill Waste, 10" x 24"

Non-sparking shovel with collapsible handle is easy to store with spill response supplies.

- Self-contained, collapsible handle is designed for easy storage in spill kits or response vehicles
- Collapses to 24" for compact storage, extends to 36" for use
- Strong and lightweight injection-molded ABS plastic construction
- Non-sparking, chemical and corrosion resistant
- T-handle allows a secure grip for easier shoveling of saturated absorbents
- Ideal for storage in spill kits, trucks, first response or fleet vehicles
