

PIG® Heavy-Duty Disinfectant Compatible Disposable Dry Wipers

WIP8303 For Commercial-Grade & EPA List N Disinfectants, Cleaners - NOT for Quat-Based Sanitizers, 12" x 13", 1000 wipers (20 packages of 50 each)

Ideal for heavy-duty industrial disinfecting jobs! Our top-selling dry wiper for when wet strength, long-term use and abrasion resistance are all needed.

- Use dry wipes with spray bottles of sanitizers or disinfectants for wiping down parts, components, facilities, offices, work areas, and more
- Ideal for use with commercial/professional grade disinfectants, alcohol, bleach, EPA List N disinfectants, cleaners, and sanitizers
- Wipers are 1/4 folded and poly wrapped for easy handling
- Outstanding wet strength that stands up to corners, handles, and other surfaces that would shred lesser wipers
- Binder-free construction provides outstanding strength to withstand solvents, degreasers, cleaners and more
- Low-lint construction won't shed, pill or leave behind unwanted fibers when wiping
- Please note, the cellulose content in these wipers may reduce the disinfectant efficiency of quaternary ammonium if used in long-term saturation

Specifications

Style	Folded
Use With	Commercial-Grade & EPA List N Disinfectants, Cleaners - NOT for Quat-Based Sanitizers
Dimensions	12" W x 13" L
Application	Heavy Duty; Low-Lint
