

Zytron® 300 Level B/C Coveralls

WPL911 Elastic Hood Attached, Zipper Front, 1 each

Versatile Zytron series of coveralls are available in five different weights and a variety of style options to provide protection from Levels A to D.

- Effective barrier against a range of organic and inorganic chemicals, including many acids, bases, salts, greases and oils
- Zytron material withstands significant chemical splashes as well as dry particulates
- Hot-air taped seams maximize strength and help prevent chemical penetration
- Double storm flap with hook-and-loop closure covers zipper for better seal
- Rugged coveralls provide superior resistance to abrasion and rip-outs
- Generous cut allows full range of movement
- Long zipper front lets them go on and off easily
- Attached hood extends protection to head
- Elastic face, wrist and ankle openings help keep out chemicals
