

Transtar Autobody Technologies

LIMITED WARRANTY

Transtar Autobody Technologies, extends the following Limited Warranty of Transtar Acrylic Polyurethane Top Coat Paint products (hereinafter "Products") to the purchaser for a period of one (1) year from the date of original purchase.

INCLUSIONS AND EXCLUSIONS

WARRANTY PROVISIONS

Transtar Autobody Technologies sole obligation under this warranty is strictly limited as defined hereunder, and in no way shall such obligation include any costs for downtime, living and per-diem expense, storage costs, yard changes, disassembly and reassemble, or any other costs of preparing the item for reapplications.

DEFECTS COVERED

Only the following defects in material are covered by this warranty: gross loss of gloss, gross loss of color retention, major adhesion failure, delamination, crazing, checking, blistering, and cracking due solely to defects in material. A liquid sample and batch number must be submitted at the time of the claim being made.

Transtar Autobody Technologies is not responsible for normal maintenance or repair of the Products, nor for correction of ordinary wear and tear, or for any claims made after a period of one year from the date of original purchase of the Products.

LIMITATIONS

- (a) This warranty does not cover failure due to accident, misuse, neglect, abuse, faulty preparation or application, poor preparations, improper maintenance, premature placement in service, abnormal wear and tear, acid rain, pollution or other abnormal atmospheric conditions, the improper use of cleaners, solvents, paints or other chemicals, acts of God or other instances of force majeure or any other circumstances beyond the control of Transtar Autobody Technologies.
- (b) This warranty does not cover minor cosmetic or paint film integrity defects, which constitute five percent or less of the total Product surface.
- (c) This warranty does not cover cosmetic or other deficiencies caused by improper substrate preparation, undesirable application conditions, application equipment or technique, or use of other than Transtar Autobody Technologies Product.
- (d) This warranty does not cover blistering, delamination, cracking, crazing, or paint film failure due to substrate flexing or movement, and osmotic blistering or erosion.
- (e) This warranty only applies to the Products applied in accordance with Transtar Autobody Technologies complete application system. Products are designed as an integrated coatings system; failures caused by the use of products not designed as part of such system are not covered by this warranty.
- (f) In honoring this warranty, Transtar Autobody Technologies reserves the sole right to select the time, place and personnel to re-apply the Products.

Any implied warranties of merchantability or fitness for any purpose relating to the Products shall terminate on the termination dates of the corresponding express warranties covering said Products. However, some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Transtar Autobody Technologies shall only be liable under this warranty to the extent expressly set forth above. Under no circumstances shall Transtar Autobody Technologies be liable for incidental or consequential damages resulting from the breach of any express warranty or implied warranty including the implied warranties of merchantability or fitness for any purpose. However, some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you.

This warranty provides specific legal rights, and the user may also have other rights which vary from state to state.

INSTRUCTIONS FOR WARRANTY CLAIMS

- (a) All claims under this warranty must be made by the original purchaser within one year from the date of the original purchase of Products.
- (b) The original purchase must deliver the item for re-application to a refinisher that has been approved by Transtar Autobody Technologies.
- (c) The original purchaser must present a bill of sale for the Products to a refinisher that has been selected by Transtar Autobody Technologies at the time of re-application to establish the date of original purchase and prove warranty coverage.
