

Technical drawing of a rectangular plaque. The overall dimensions are 5" in height and 2 1/2" in width. The plaque features a central starburst design. The inner rectangular area containing the design is 4 3/4" in height and 2" in width. The top edge of the plaque is beveled, with a bevel depth of 1/4". The bottom edge is straight. The drawing includes dashed lines and arrows indicating the various measurements.

Technical drawing of a rectangular block with a beveled top edge. The drawing shows a side view with dimensions: total height 5 inches, total width 1 1/2 inches, and a bevel depth of 1/4 inch. The bevel angle is 45 degrees, indicated by a 4 3/4 inch dimension along the beveled edge.

A 3D line drawing of a rectangular box, viewed from a slightly elevated side angle. The box is white with black outlines. On the front face, there is a stylized flower with many pointed petals radiating from a central point. The top edge of the box is shaded with a gray line to indicate depth.
