

KEYQC3 INSTRUCTIONS

SEPARATING KEYCHAIN HALVES

1. Pull the aluminum sleeve back.
2. While holding the sleeve in the back position, pull the other half of the keychain out.
3. Release the sleeve to use each half separately.

RE-ATTACHING KEYCHAIN HALVES

1. Pull the aluminum sleeve back.
2. While holding the sleeve in the back position, push the other half of the keychain into the coupler.
3. Release the sleeve to engage the locking mechanism.
