E-Z-QUICK ALUMINUM MESH GUARDS FROM THE LEADER IN GUTTER PROTECTION

- It's a snap to install — no screws needed
- Heavy-duty expanded aluminum — won't rust or rot
- Designed to stay put during rough weather but snaps out for maintenance
- New Design has a Patented Water Separator that forces rainwater through the screen while pushing debris over the front of the gutter
- Available for 5" and 6" gutter — comes in 4 ft. sections
- 10 count in box cover 40 feet
- 5" Gutter / SKU 754882000244
- 6" Gutter / SKU 754882000640
