Mobile Mini-Case, Open Faced w/Five 3" Clear Totes, No Riser, Platinum Frame

Stay organized and efficient with this compact, open-faced, mobile storage unit. It's ideal for component (small) part storage, PPE storage, office supply storage and corralling misc. items. Five extra-wide, 3-inch-high totes in clear plastic are virtually indestructible. Each tote slides completely out for easy access and portability. Unit is durably made with 18-gauge solid end panels reinforced by 22-gauge hat channels that ensure reliable tote rails. Domed top is 18-gauge formed and welded steel construction. An 18-gauge steel construction base squarely supports the unit's weight and contents. Two grommet holes (a lower and upper) are punched for convenient wire management and electronic storage. Casters are 4 inches in diameter, with 2 locking. Platinum powder coat finish. Dimensions: 19" D x 21" W x 30.4" H
