

MFR Model Number: 110105000PPMAPPCLR

Mobile Mini-Case, Open Faced w/Five 3" Clear Totes, Fusion Maple Riser, Platinum Frame

This compact, open-faced, mobile storage unit with removeable totes and a 1.25-inch-thick top riser serves as a multipurpose receiving cart, manufacturing processing cart and/or shipping order processing cart. The high-density particle board riser shelf laminated in fusion maple (color) with T-molding rises six inches above the domed top. Five extra-wide, 3-inch-high totes in clear plastic are virtually indestructible. Each tote slides completely out for easy access and portability. Unit features 18-gauge solid end panels reinforced by 22-gauge hat channels which ensure reliable tote rails. An 18-gauge steel construction base squarely supports the unit's weight and contents. Two grommet holes (a lower and upper) are punched for convenient wire management and electronic storage. Casters are 4 inches in diameter, with 2 locking. Platinum powder coat finish. Dimensions: 19" D x 21" W x 37" H
