Mobile Mini-Case, Locking Doors w/ Five 3" Clear Totes, No Riser, Platinum Frame

Secure valuable items with this compact, enclosed mobile storage unit with removeable totes and locking doors. It's ideal for component (small) part storage, PPE storage, office supply storage and personal items. Five extra-wide, 3-inch-high totes in clear plastic are virtually indestructible. Fully hinged doors articulate 270 degrees to slide totes completely out. Unit is durably made with 18-gauge solid end panels reinforced by 22-gauge hat channels which ensure reliable tote rails. Domed top is 18-gauge formed and welded steel construction. An 18-gauge steel construction base squarely supports the unit's weight and contents. Two grommet holes (a lower and upper) are punched for convenient wire management and electronic storage. Casters are 4 inches in diameter, with 2 locking. Platinum powder coat finish. Dimensions: 19" D x 21" W x 30.4" H
