Mobile Mega-Case, Open Faced w/15 3" Clear Totes, No Riser, Platinum Frame

This large, open-faced mobile storage unit with removable totes keeps smaller items organized and accessible. Use for component part storage, PPE storage, office supply storage and corralling the miscellaneous. Three columns of 5 (15 total) standard-width 3-inch-high totes in clear plastic are virtually indestructible; each slides completely out for portability. Unit is durably made with 18-gauge solid end panels reinforced by 22-gauge hat channels that ensure reliable tote rails. Domed top is 18-gauge formed and welded steel construction. An 18-gauge steel construction base squarely supports the unit's weight and contents. Two grommet holes (a lower and upper) are punched for convenient wire management and electronic storage. Casters are 4 inches in diameter, with 2 locking. Platinum powder coat finish. Dimensions: 19" D x 43" W x 30.4" H
