Mobile Mega-Case, Locking Doors w/15 3" Clear Totes, No Riser, Platinum Frame

This large, open-faced mobile storage unit with locking doors and removable totes is great for component (small) part storage, PPE storage, office supply storage and/or for securely storing personal items. Unit includes three columns of 5 (15 total) standard-width 3-inch-high totes in clear, virtually indestructible plastic. Fully hinged doors articulate 270 degrees to freely slide out totes. Unit is durably made with 18-gauge solid end panels reinforced by 22-gauge hat channels which ensure reliable tote rails. Domed top is 18-gauge formed and welded steel construction. An 18-gauge steel construction base squarely supports the unit's weight and contents. Two grommet holes (a lower and upper) are punched for convenient wire management and electronic storage. Casters are 4 inches in diameter, with 2 locking. Platinum powder coat finish. Dimensions: 19" D x 43" W x 30.4" H
