BREAKTHROUGH® CLEAN TECHNOLOGIES CARBON **PRO** CARBON REMOVER + BORE CLEANER

Carbon Pro Carbon Remover and Bore Cleaner is a high strength water-based cleaner that is nearly colorless and odorless. Utilizes a blend of chemical surfactants, detergents, and penetrants that quickly loosens and releases carbon contaminants. These ingredients effectively neutralize all corrosive residues preventing damaging rust and corrosion.

FEATURES:

- Removes Carbon Contaminants
- Cleans efficiently, dramatically reducing the duration of cleaning and frequency between cleanings
- Non-Staining
- Non-Corrosive
- Barrel Safe
- Made in the USA
- Non-Flammable
- Petroleum & ammonia free
- Odorless
