

Clean Shot--ProFlo Drain Opener

INDUSTRIAL STRENGTH

- Clears Drain Clogs Caused by Grease, Hair, Soap and Other Organic Build-Up
- Recommended for use in Kitchen and Restroom Drains
- Safe for use in All Pipes and Septic Systems

PRODUCT INFORMATION:

Industrial strength liquid alkaline drain opener. Removes obstructions caused by grease, hair, soap and other organic matter. For use in all pipes. Safe for use in septic systems when used as directed. Eliminates the disagreeable fumes which are caused by ordinary dry form drain pipe cleaners. Saponifies grease into a soft mass that easily flows through the drains.

USE IN/ON:

Safe for use in all pipes.

DILUTIONS:

Ready to use.

DIRECTIONS FOR USE:

Bail out as much standing water as possible. Use 16-32 ounces of product. Pour directly into the drain. Let stand for 15 - 30 minutes. Flush with water.

NOTE: Avoid contact with aluminum and chrome surfaces as discoloration and pitting may occur. Do not use with other chemical products.

IMPORTANT SAFETY INFORMATION:

PRECAUTIONS: Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection. Store locked up. Do not use before, with or after any other chemicals, or where other drain openers are present. Can cause dangerous gases or violent reactions. Use with adequate ventilation. Open windows and use a fan if available (direct fan towards window). Do not breathe fumes. Do not stand over, or look into, the drain (or bowl) while using. Do not pour into standing water. Do not allow water to get inside the container. Avoid contact with aluminum, chrome and other soft metal surfaces as discoloration and pitting may occur.

FIRST AID:

IF SWALLOWED: Call a poison center or doctor if you feel unwell. Rinse mouth. Do NOT induce vomiting.

IF ON SKIN (OR HAIR): Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
