

Features

- Pressure-balancing diaphragm technology maintains outlet temperature within +/-3°F during water pressure fluctuations.
- Antiscald protection.
- A single handle controls both on/off activation and temperature setting.
- Includes diverter bath spout with 1/2" slip-fit connection.
- For use with any KOHLER showerhead (sold separately).
- Coordinates with other products in the Parallel collection.

Material

- Premium material construction with metal handle ensures reliability and durability.
- KOHLER finishes resist corrosion and tarnishing.

Installation

- Trim only; requires valve to complete installation (sold separately).
