

1. Identification:

Product Identify: Blue Wolf Interior Detailer
Product Code: BWID
Recommended Use: Automotive Interior Vinyl Cleaner
Producer/Distributor
 Blue Wolf Sales and Service
 219 Industrial Park Road
 Bluefield, Virginia 24605
Company Phone Number: 855-803-1417
Emergency Contact Number: 1-800-424-9300 CHEMTREC

2. Hazard Identification:

Classification: Not a hazardous substance or mixture

Label elements GHS

No Labeling according to GHS required.

3. Composition/Information on ingredients

Ingredients
 Polydimethylsiloxane (emulsion in water)

CAS Number
 63148-62-9

Percent by Weight
 20-35

4. First-Aid Measures

Ingestion: : Do not attempt to induce vomiting. Rinse mouth. If you feel unwell, get medical attention
Skin Contact: : Wash with soap and water. If signs/symptoms develop, get medical attention.
Eye Contact: : Flush with thoroughly with water. Remove contact lenses if easy to do. Continue rinsing. If signs/symptoms persist, get medical attention.
Inhalation: : Move to fresh air. If irritation persists, obtain medical attention

5. Fire Fighting Measures:

Suitable Extinguishing Media: : Material will not burn. Use a firefighting agent suitable for the surrounding fire.
Unsuitable Extinguishing Media: : Not determined.
Unusual Fire and Explosion Hazards: : As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

6. Accidental Release Measures:

Protective Equipment and Emergency Procedures

Personal Precautions: : Use personal protection recommended in Section 8. Wet floors will be very slippery.
Environmental Precautions: : Avoid release to the environment. Dike and contain spill.
Containment and Cleaning Up: : Wash small spills to sanitary sewer. Absorb with inert material, and then place in suitable container for disposal.
Methods for Containment: Methods for Cleaning Up:

7. Handling and Storage:

Handling: : Keep from freezing. Temp important for maintaining quality. Keep out of reach of children.
Storage: : Normal care for storage.

8. Exposure Controls/Personal Protection:

Exposure Controls:

Ventilation and engineering measures : Use with adequate ventilation
 : If spraying or other aerosol generating operations are performed, local exhaust ventilation designed to capture mists and sprays, such as paint booth, is recommended.
Eye protection : Safety glasses with side shields. Additional eye and face protection, splash-proof goggles, hood, full-faced respirator, or face shield is recommended if splashing could occur.
Skin protection: : Neoprene or nitrile rubber gloves.
Respiratory protection: : Respiratory protection is not normally required. Advice should be sought from respiratory protection specialist if needed and NIOSH/MSHA approved equipment used if needed.

Safety Data Sheets (SDS) BWID Blue Wolf Interior Detailer

9. Physical and Chemical Properties: Physical State: Appearance: Odor: Solubility: Evaporation Rate: Vapor Pressure (MM HG): Vapor Density (Air = 1):	: Liquid : White – Citrus odor : Complete in Water : NA : NA : < 1	pH: Specific Gravity Flammability: Flash Point: Boiling Point: %volatile	: 7-8 : (H2O) =1): 1.0 : None : None : >212F (100C) : 13%
10. Stability and Reactivity: Chemical Stability: : Stable Possibility of Hazardous Reaction: : None are known Incompatibility (Materials to Avoid): : None known Hazardous Decomposition or By-products: : None Hazardous Polymerization: : Will not occur Conditions to Avoid: : None are known			
11. Toxicological Information: Acute toxicity: Based on the available data acute toxic effects are not expected after single dermal exposure. Based on the available data acute toxic effects are not expected after single oral exposure. Skin corrosion/irritation: Based on the available data a clinically relevant skin irritation is not expected. Serious eye damage/eye irritation: For this endpoint no toxicological test data is available for the whole product. Specific target organ toxicity: For this endpoint no toxicological test data is available for the whole product.			
Chronic Effects: Carcinogenic: : No reportable ACGIH, IARC, NTP, or OSHA Carcinogens.			
Ingestion : Acute toxic effects are not expected after single exposure. Target Organ Effects: : None known.		Mutagenicity: : Not expected to be a mutagenic in humans Reproductive effects: : Not classifiable as a reproductive toxin.	
12. Ecological Information: Bioaccumulation: : Bioaccumulation is not expected to occur. Persistence and degradability: : Silicone content: biologically not degradable. Elimination by absorption to activated sludge. Emulsifier: readily biologically degradable. Mobility: : No adverse effects expected. Separation by sedimentation. Other adverse effects: : None known			
13. Disposal Consideration: Material that cannot be used during normal use should be disposed of in accordance with all applicable local, state and federal regulations. Waste from normal cleaning procedures may be disposed of in a sanitary sewer depending on the materials and /or contaminants being cleaned as well as local, state and federal sewer regulations.			
14.1 Transportation Information: UN Number: : NA Shipping Name: : NA Transport Hazard Class: : Not a DOT regulated material Packing Group: : NA Marine Pollutant: : No 14.2 US DOT & Canada TDG Surface Validation : Not regulated for transport Other information : Protect from freezing, when exposed to cold temperatures approaching 0° C (32° F) or below. Temperature sensitive material 14.3 Transport by sea IMDG-Code Validation : Not regulated for transport 14.4 Air transport ICAO-TI/IATA Validation : Not regulated for transport			

Safety Data Sheets (SDS) BWID Blue Wolf Interior Detailer

15.1 Regulatory Information:

TSCA Status: : All Ingredient listed
Clean Water Act: : None of the chemicals listed as Priority Pollutants or Toxic Pollution under the CWA
Clean Air Act: : None of the chemicals in this product are listed as Hazardous Air Pollutants (HAPs) designated in CAA Section 112(b)
CERCLA Reportable Quantity: : Does not contain any CERCLA regulated chemicals.
SARA Title III Information: : None listed
Section 302 Extremely Hazardous Chemicals: : None listed
Section 311/312 Hazard Category: : None listed
Section 313 Toxic Chemicals: : None listed
HAPS (Hazardous Air Pollutants) : None listed

15.2 U.S State regulations

California Prop. 65 Carcinogens: : Does not contain any chemicals known to the state of California to cause cancer.
California Prop. 65 Reproductive Toxins : Does not contain any chemicals known to the state of California to cause reproductive effects.
Massachusetts Substance List: : The material contains no listed components.
New Jersey Right-to-Known Hazardous Substance List. : This material contains no listed components.
