General Information

Kit Part Number:	1-2110842-3
Description:	Tinel-Lock Rings and Adapters Kit
Application:	Commercial Aerospace, Ground Defense, Military Marine, Military/Aerospace, Missile Defense and Weapons, Offshore/ Civil Marine, Space
Family:	Tinel-Lock Adapters
TE Brand:	RAYCHEM Products
Solution:	High Performance Sealing and Strain Relief
Product Type:	Adapter
Number of Pieces:	12
RoHS:	No

Specifications

Adapter Family:	TXR54
Adapters:	Straight, Angle
Angle:	Straight, 90 Degree
Entry Size:	04, 06, 08, 10, 14
Finish:	Cadmium Olive Drab
Material:	Aluminum Alloy
Operating Temperature:	-55 to +120 °C
Tinel-Lock Adapter:	Ring
Tinel-Lock Ring:	Unattached
Tool Included:	No

Product Highlights

For high-performance sealing and strain relief, the perfect mate for a TE Connectivity molded part in a wiring application is a Raychem brand adapter. TE Connectivity offers a variety of Raychem brand adapters for applications in many industries, including aerospace, marine, and mass transit. These adapters are available in many configurations to match applications, easy to install. Ideal for high-reliability applications, kitted for customer convenience. Spin-coupling adapters are two-part components that have a rotatable coupling nut and a grooved body designed to accommodate lipped-type heat-shrinkable boots.The Tinel-Lock adapter utilizes TE Connectivity Tinel ring to terminate the overall shield to the adapter. The Tinel ring is a low-profile, high-strength, shape-memory-alloy shield-termination device available in many sizes to accommodate various entry sizes and shield configurations. Tinel-Lock adapters are ideal for lightweight aerospace applications requiring repeated high-to-low temperature cycles.

Features and Benefits
 • The Tinel-Lock ring is made from a special shape memory metal that shrinks uniformly when heated
 • The Tinel-Lock ring is used to terminate copper cable braid directly onto the rear of the adapter
 • The adapter entry size and ring designator must be selected to suit the cable diameter and braid type

Applications
 • C4ISR
 • Commercial Aerospace
 • Ground Defense
 • Military Aerospace

- Military Marine

- Missile Defense

- Offshore / Civil Marine

- Space

RAYCHEM Connector Kit

Tinel-Lock Rings and Adapters

• Aluminum Alloy Material
• Straight or Angle Tinel-Lock Adapters
• Cadmium Olive Drab Finish Included, others Available
• Unattached Tinel-Lock Shape Memory Alloy Rings Included
• Added Sealing Capability Achieved with Complimentary Boot

Additional kits available at: www.productkits.com
