

General Information

Kit Part Number:	2110842-6
Description:	Raychem Micro Molded Heat-Shrink Shapes Sales Kit
Application:	Aerospace/Defense Equipment and Systems, Cable Jacketing, Commercial Aerospace
Family:	Micro Molded Shapes
TE Brand:	RAYCHEM Products
Solution:	Heat Shrinkable Products
Product Type:	Molded Parts
Number of Pieces:	27
RoHS:	Yes

Specifications

Accessories:	Heat-Shrinkable Boot
Color:	Black
Molded Part Type:	Molded Boot
Shrink Ratio:	2:1
Tool Included:	No

Product Highlights

A heat-shrinkable, semi rigid, fluid and temperature resistant, elastomeric molding compound, designed to offer excellent performance in harsh environments. Ideal for use in military and commercial vehicles where high temperatures and long term exposure to hot fluids is expected.

Features and Benefits

- Small size
- Supplied in expanded form
- Adhesive lined options
- Strain relief
- Available in a range of different cross-linked polymeric materials
- Weight and space saving
- Facilitates installation
- Environmental sealing against fluid and dirt ingress
- Provides protection against mechanical abuse at the cable connector interface
- Suitable for a wide range of application and environmental requirements for low fire hazard, flame retardance, high temperatures and fluid resistant characteristics
- Applications from underwater to outer space, in military vehicles to cars, rail & mass transit

Applications

- Aerospace/Defense Equipment and Systems
- Cable Jacketing
- Commercial Aerospace
