

Connectors > Terminal Blocks & Strips > PCB Terminal Blocks

Terminal Block Connector Type: **Header**

Connector System: **Wire-to-Board**

Number of Positions: **7**

Centerline (Pitch): **15 mm [ .591 in ]**

Number of Rows: **2**

Features

Product Type Features

|                                   |                       |
|-----------------------------------|-----------------------|
| Wire Protection                   | With                  |
| Block Type                        | Straight              |
| Terminal Block Connector Type     | Header                |
| Connector System                  | Wire-to-Board         |
| Connector & Contact Terminates To | Printed Circuit Board |

Configuration Features

|                        |                |
|------------------------|----------------|
| Threaded Flange        | Without        |
| Stacking Configuration | Side Stackable |
| Number of Positions    | 7              |
| Number of Rows         | 2              |
| Wire Entry Angle       | Side           |

Electrical Characteristics

|                      |         |
|----------------------|---------|
| Current Rating (Max) | 130 A   |
| Voltage Rating       | 600 VAC |

Body Features

|           |         |
|-----------|---------|
| Interlock | Without |
|-----------|---------|

Contact Features

|                                      |               |
|--------------------------------------|---------------|
| Contact Mating Area Plating Material | Tin           |
| Contact Mount                        | Through Hole  |
| Pin Length                           | 5 mm[.197 in] |
| Contact Base Material                | Brass         |
| Contact Current Rating (Max)         | 130 A         |

Mechanical Attachment

|                          |             |
|--------------------------|-------------|
| Screwless Terminal Block | No          |
| Mounting Angle           | Vertical    |
| Screw Size               | M5          |
| Screw Plating Material   | Nickel      |
| Screw Material           | Steel       |
| Screw Flange             | With        |
| Connector Mounting Type  | Board Mount |

Housing Features

|                    |                |
|--------------------|----------------|
| Housing Color      | Green          |
| Housing Material   | PA 66          |
| Centerline (Pitch) | 15 mm[.591 in] |

Dimensions

|                 |               |
|-----------------|---------------|
| PCB Tail Length | 5 mm[.197 in] |
| Wire Size       | .5 – 41 mm²   |

Usage Conditions

|                             |                            |
|-----------------------------|----------------------------|
| Operating Temperature Range | -40 – 110 °C[-40 – 230 °F] |
|-----------------------------|----------------------------|

Operation/Application

|                     |                |
|---------------------|----------------|
| Circuit Application | Power & Signal |
|---------------------|----------------|

Packaging Features

|                    |        |
|--------------------|--------|
| Packaging Method   | Carton |
| Packaging Quantity | 5      |

Product Compliance

| EU REACH Regulation (EC) No. 1907/2006        | Current ECHA Candidate List: JUNE 2022 (224)<br>Candidate List Declared Against: JUNE 2022 (224)<br>SVHC > Threshold:<br>Pb (.8% in Component Part)<br><b>Article Safe Usage Statements:</b><br>Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Recycle if possible and dispose of the article by following all applicable governmental regulations relevant to your geographic location. |
| Halogen Content                               | Low Halogen - Br, Cl, F, I < 900 ppm per homogenous material. Also BFR/CFR/PVC Free                                                                                                                                                                                                                                                                                                                                           |
| Solder Process Capability                     | Wave solder capable to 265°C                                                                                                                                                                                                                                                                                                                                                                                                  |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
