

PIG® No-Trip™ Commercial Floor Mat

#GRP36202 - Sticky Adhesive Backing • 36" x 50' • (10) 5' mats per roll

Keep floors dry and safe with the only commercial floor mat that Lays Flat, Stays Flat™ to prevent trips, slips and falls. Choose gray to hide salt and dust or black to hide oil and grease.

- Perfect replacement for ordinary, carpeted rental floor mats. PIG No-Trip Floor Mat is safer to walk on, more absorbent, easier to maintain and significantly less expensive
- No bunching up, rippling, flipping over or shifting out of position. PIG No-Trip Floor Mat lays flat and stays flat to prevent trip accidents common on standard carpeted entrance mats
- Full-coverage adhesive backing holds tight but peels up easily without leaving sticky residue behind
- Incredibly durable material is built to withstand the heaviest walk-on and wheeled traffic: carts, dollies, pallet jacks, even forklifts
- Tested and Certified by the National Floor Safety Institute (NFSI) - When used as part of your floor safety program, high-traction surfaces such as PIG No-Trip Mat have been proven to reduce slip-and-fall claims by as much as 90%
- Absorbs, retains and disperses liquids better and dries faster than carpeted mats. Soaks up water, oil, grease and more; removes dirt and sand from shoe bottoms to prevent footprint tracking
- Liquidproof barrier layer prevents seepage to keep floors completely dry
- Ideal for high-traffic areas like aisles, walkways and entrances, plus transition areas such as stockroom to sales floor or warehouse-to-office
- Easily cuts to size with scissors or utility knife; apply to any clean, dry, oil-free surface
- Choose gray to hide salt and dust or black to hide oil and grease

Technical Information

Warnings & Restrictions:

No-Trip™ Mat Notice

Please note: All adhesives have some potential to lift finish coatings or paint depending on the condition and age of the floor surface. PIG No-Trip™ Mat is formulated to work with most common industrial floor surfaces, but if you have questions about the suitability of No-Trip™ Mat for your application, test a 6" x 6" piece in a noncritical area before use.

Certifications, Approvals and Ratings:

NFSI Certified
ANSI B101.1- 2009
