ETFX50™ Heavy Duty Professional Staple and Nail Gun

There's never been a more compact & versatile fastening tool. One easy-to-handle, easy-to-use fully electric ETFX50 Staple & Nail Gun is all you need to lay bell wire or install insulation; to nail decorative trim or upholster furniture. Its

uniquely designed channel handles 6 different sizes of T50® staples from 1/4" to 9/16" or 5/8" brad nails. The tool's flush front gets into corners and because it's fully electric, there is no clumsy pneumatic tank to lug around.
