AUTO & TRUCK WINDSHIELD DE-ICER

DE1

MotorMedic™ De-Icer for Auto & Truck defrosts car windows instantly! Spray in advance to help prevent frost formation! Helps free frozen locks! Frees frozen door latches! Ideal for cars parked without shelter!

APPLICATIONS:

- Melts Ice Instantly On Locks, Windshield Wipers & Windows
- Neutralizes Acid

DIRECTIONS: Start car and turn on defroster. Score ice with scraper. Starting at top, spray generously over entire window. Allow to penetrate. If smearing occurs due to over-application, remove excess with clean cloth. If sprayed on car finish, wash off with water immediately.

STORAGE, HANDLING & DISPOSAL: Store in a dry, well-ventilated area below 120°F / 49°C. Do not expose to heat, spark, or open flame. Do not puncture, crush or incinerate can. Do not keep container inside car or living area. Leaking cans should be disposed of immediately. Dispose of product, container and residue accordance with all local, state and federal laws and regulations.

DANGER: FLAMMABLE. FIRE AND EXPLOSION HAZARD: Use only in a well-ventilated area away from heat, sparks, and flames. Do not place container in contact with hot surfaces, batteries or electrical current, because of risk of violent bursting and flash fire. Use added caution in confined areas such as basements and automobile compartments. **BREATHING & INGESTION HAZARDS:** INHALING CONCENTRATED VAPORS INTENTIONALLY OR OTHERWISE MAY CAUSE DEATH WITHOUT WARNING. Harmful or fatal if swallowed. **CONTACT HAZARD:** Eye and skin irritant. Prolonged skin contact may cause dermatitis.

FIRST AID: Eye irritant. **EYES:** for eye contact, flush with water for 15 minutes while lifting eyelids. If irritation develops, get prompt medical attention. **SKIN:** in case of skin contact, wash with soap and water. If irritation develops, get prompt medical attention. **INHALATION:** If inhaled, move to fresh air. If breathing becomes difficult get prompt medical attention. **INGESTION:** Do not take internally. If swallowed, do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
