

Bin Retainer Clip

40599

Finally! A way to hold bins safely on louvered panels

NEW! The Bin Retainer Clip is a safety accessory that will prevent bins from falling off louvered panels and louvered panel rack systems while in transit.

Whether it's used on a mobile louvered rack or in the back of work trucks and vans, Akro-Mils introduces a new way to safely transport a wide range of AkroBins® and ProHANGER™ storage bins.

- Made of durable engineering grade plastic
- Easy to use, no complex installation required
- Will work with any size AkroBin or ProHANGER
- Perfect for service vans; maintenance workers, plumbers, electricians or other tradesmen who store and transport supplies and materials

U.S. Patent Pending

Dimensions

Model Number	Description	Pkg Quantity	L	W	H
40599	Bin Retainer Clip	6	2 5/8"	2 3/8"	3/8"

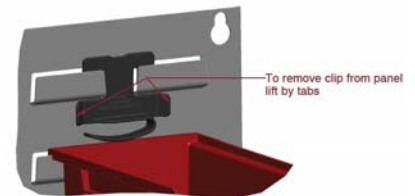

Recommended Use: One Bin Clip per 6 inches of bin

Easy 1-2-3 Assembly

1. Hook one ear onto louver
2. Rotate and hook other ear
3. Snap into place

Easy Removal

The bin retainer clip does not permanently adhere to surfaces. It can be removed, replaced, and reused without damaging bins or panels
