PRODUCT DESCRIPTION:

CLR is the fast and effective way to clean away calcium and lime deposits and scale from porcelain, chrome, glassware and grout—as well as discoloration from rust stains. It's an industrial strength cleaner offering exceptional versatility and economy in one container—a customer favorite for an endless variety of uses. And that translates directly to sales and profits!

Offer effectiveness, quality and economy in one product. No other cleaning product on the market performs like CLR. For more information on how you can take advantage of CLR marketing, contact your Jelmar representative today.

ADVERTISING:

CLR sales are supported by an extensive advertising campaign assuring global recognition and market share image. In addition, CLR has a full money-back guarantee to assure consumer confidence and sales performance.
