## General Safety Information

**WARNING** Disconnect power supply before wiring connections are made to prevent possible electric shock or damage to equipment.

**WARNING** Read and follow instructions carefully. Failure to comply with instructions could result in fire, electric shock, injury to persons and/or damage to equipment.

**CAUTION** Follow all maintenance procedures enclosed.

**DANGER** Failure to properly ground unit could result in severe electrical shock or death.

- All wiring should conform to the National Electrical Code in the United States and local regulations.

- Do not operate in the presence of explosives and flammable fumes.
- Do not place fan or any parts near an open flame, or cooking or other heating appliances.
- Do not operate this appliance with a damaged cord or plug. If the appliance malfunctions or has been dropped, do not operate in any manner.
- Do not insert fingers or utensils through guard as this may result in injury.
- Do not use fan outdoors.
- Do not pull on cord to disengage fan from an outlet. Pull on the plug to remove the fan from the outlet.
- This product is intended for household use and not for commercial industrial use.

## Operation

- Set your fan on a level and dry surface.
- Plug the power cord into a standard 120V AC wall outlet. This fan is supplied with a polarized plug (One Prong is wider than the other) and should be used with a polarized AC Electrical wall outlet.
- To change the angle of the fan, loosen the tilt knob then move the fan up or down to the desired position; Tighten the tilt knob again to secure placement.
- Slide the speed control knob (on the top of the motor housing) to desired position.

## Cleaning and Maintenance

*Always Unplug Before Servicing!*  
Use mild soap with soft cloth to wipe down fan. Do not submerge in water or use chemicals, gasoline or abrasive products to clean fan.

## LIMITED WARRANTY

**Dayton One-Year Limited Warranty:** Dayton® 4.5" compact fan covered in this manual, is warranted by Dayton Electric Mfg. Co (Dayton) to the original user against defects and workmanship or materials under normal use for one year from the date of purchase. Any part which is determined to be defective in material or workmanship and returned to an authorized service location, as Dayton designates, shipping costs prepaid, will be, as the exclusive remedy, repaired or replaced at Dayton's option. For limited warranty claim procedures, see PROMPT DISPOSITION below. This limited warranty gives purchasers specific legal rights which vary from jurisdiction to jurisdiction.

**Limitation of Liability:** To the extent allowable under applicable law, Dayton's liability for consequential and incidental damages is expressly disclaimed. Dayton's liability in all events is limited to and shall not exceed the purchase price paid.

**Warranty Disclaimer:** Dayton has made a diligent effort to provide product information and illustrate the products in this literature accurately; however, such information and illustrations are for the sole purpose of identification, and do not express or imply a warranty that the products are MERCHANTABILITY, or FIT FOR A PARTICULAR PURPOSE, or that the products will necessarily conform to the illustrations or descriptions. Except as provided below, no warranty or affirmation of fact, expressed or implied, other than as stated in the "LIMITED WARRANTY" above is made or authorized by Dayton.

**Product Suitability:** Many jurisdictions have codes and regulations governing sales, construction, installation, and/or use of products for certain purposes, which may vary from those in neighboring areas. While Dayton attempts to assure that its products comply with such codes, it cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Before purchase and use of a product, review the product applications, and all applicable national and local codes and regulations, and be sure that the product, installation, and use will comply with them.

Certain aspects of disclaimers are not applicable to consumer products; e.g., (a) some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you; (b) also, some jurisdictions do not allow a limitation on how long an implied warranty lasts, consequently the above limitation may not apply to you; and (c) by law, during the period of this Limited Warranty, any implied warranties of implied merchantability or fitness for a particular purpose applicable to consumer products purchased by consumers, may not be excluded or otherwise disclaimed.

**Prompt Disposition:** Dayton will make a good faith effort for prompt correction or other adjustment with respect to any product which proves to be defective within limited warranty. For any product believed to be defective within limited warranty, first write or call dealer from whom the product was purchased. Dealer will give additional directions. If unable to resolve satisfactorily, write to Dayton at address below, giving dealer's name, address, date, and number of the dealer's invoice, and describing the nature of the defect. Title and risk loss pass to buyer on delivery to common carrier. If product was damaged in transit to you, file claim with carrier.

Manufactured for Dayton Electric Mfg. Co., 100 Grainger Parkway, Lake Forest, Illinois, 60045 U.S.A.
