New Design! Easy Flow Gravity Hopper Floor Rack

A Complete System for Any Picking, Sorting or Assembly Operation!

Akro-Mils' Hopper Floor Rack is designed for the two sizes of Easy Flow Gravity Hopper. These easily assembled racks are designed to hold three rows (nine 31625 hoppers each side, or 12 new 31620BLUE hoppers each side).

The racks reduce the amount of product stored on floors and table tops, improving safety and production!

- Even more holding capacity with addition of third row
- Adjustable rail heights
- Sturdy 13-gauge steel construction
- 900 lb. weight capacity
