

Universal Features

Sani-Lav Foamers allow effortless dilution with control. Cleaning and sanitizing is made easy with the quick disconnect coupler and N2 pistol grip nozzle. Sani-Lav Foamer mixes the desired amount of concentrate using air and water to produce a thick, rich foam spray. Sani-Lav Sanitizers are ideal for no-rinse applications

- Metering tip kit included for changing dilution ratios
- Foamers and Sprayers are available in 96 oz. or 48 oz. capacity
- 3/4" GHT female inlet
- Rated 180 F (82 C), Maximum pressure 100 psi
- N2 industrial spray nozzle included
