# GLASS CLEANER TINT SAFE

GC3

**GUNK® Glass Cleaner - Tint Safe** is a non-ammonia based glass cleaner that is safe for tinted windows. Its foaming action and high performance ingredients work to remove even the toughest bugs and road grime that can end up on windshields and windows. The unique formula leaves no film or residue behind. It does not streak and can be used for everything including windshields, taillights, windows, mirrors, and many other glass surfaces. Removes cleaning compound, polish spin-off, and masking tape residue as well. Safe for Factory Tinted windows and aftermarket tinting films still under warranty.

**APPLICATIONS:**

- No Streaking, Removes Bugs & Road Grime
- Ammonia free

**DIRECTIONS:** Hold can upright; spray approximately 6 to 10 inches from surface; allow standing a few seconds, then wiping with paper towel, lint-free cloth or sponge. For use on glass - **DO NOT USE ON WOOD OR VARNISHED SURFACES.**

**STORAGE, HANDLING & DISPOSAL:** Do not puncture or incinerate container. Do not expose to heat, sparks, open flame, or store at temperature above 120°F (48°C). Use and dispose of container, product, and residue in accordance with all local, state, and federal laws and regulations.

**DANGER:** Contents under pressure. Irritating to eyes. May be harmful if swallowed.

**FIRST AID:** **EYE CONTACT:** Flush thoroughly with water for 15 minutes while lifting eyelids occasionally and get prompt medical attention. **SKIN CONTACT:** Wash with soap and water. If irritation persists, get prompt medical attention. **INHALATION:** Move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION:** **DO NOT INDUCE VOMITING.** Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

**KEEP AWAY FROM CHILDREN AND ANIMALS**
