HexArmor 
ELITE with SuperFabric.®

TENX THREESIXTY 7090

The HexArmor Elite® Heavy Duty line of PPE was built for the most challenging and difficult applications. HexArmor® took Level 5 cut-resistant SuperFabric® and built it into a series of tough leather gloves, providing a combination of durability and safety that is unmatched in the safety industry.

FEATURES:

- SuperFabric® brand material palm provides ISEA Level 5 cut resistance and maintains the highest level of protection available in the industry (interior layer)
- Industrial puncture protection on enhanced areas from wires, metal, wood, and glass
- Canvas safety cuff and particle nitrile coating for liquid resistance
- Updated construction with increased dexterity, better fit and feel
