by Akro-Mils

Easily and conveniently store supplies to improve overall efficiency.

With a smooth, contoured, streamlined design, InSight™ Ultra-Clear Bins are the **durable, modern storage solution** for a wide variety of settings:

- Hospitals
- Supply rooms
- Laboratories
- Retail spaces
- Offices

- 1 **Transparent, autoclavable polycarbonate material**
Provides maximum visibility and easy identification of supplies.
- 2 **Unique “lock-in-place” design**
Optimizes valuable storage space by allowing bins to be securely stacked, even with lids in place.
- 3 **Strong molded hanger**
Easily hooks onto rails or louvered panels (sold separately, see back) for added storage versatility.
- 4 **Convenient labeling area**
Designated on large smooth surface.
- 5 **Optional lids and dividers**
Help keep supplies clean, protected and further organized.

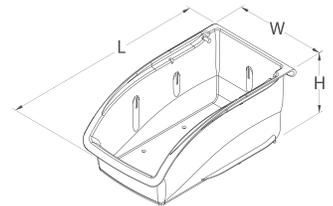

InSight™ Lids and Dividers

- Clear lids promote easy access to dust-free storage.
- Length and width dividers expand sorting options and efficiencies.
- All can be used with InSight bins in any configuration (stacked, hanging, etc.).
- Sold separately.
