DOOR + WALL PROTECTION SYSTEMS

Not Too Big. Not Too Small. Just Right.

The 1000 Series Handrail from IPC® is on the cutting-edge of handrail design. Its innovative style fills the size gap between what's currently available while still offering the protection your walls need.

Utilizing the versatility of our rigid sheet material, our product development experts came up with a sleek yet subtle profile that will complement any interior. The modern-European design features a comfortable oval top rail with thumb grip and integral lower bumper to offer superior protection against carts, wheelchairs, and anything else that may be hazardous to your walls.

This handrail is available in Rigid Vinyl or G2 BioBlend® material. Choose from our Standard Solid colors or Woodland patterns.
