

# KNOCK'ER LOOSE®

## Penetrating Solvent

- Dissolves rust, varnish gum & corrosion
- Loosens and frees seized, bound & frozen fasteners
- Lubricating residue prevents corrosion
- NSF H2 Registered for use in meat and poultry plants
- VOC Compliant

# CRC KNOCK'ER LOOSE® Penetrating Solvent

## I. Product Description

An industrial strength, low viscosity lubricant and penetrant designed to quickly loosen and free seized, bound or frozen fasteners. It quickly permeates rust, scale, gum, grease and corrosion with a low surface tension formula that creeps into cracks, seams, threads and joints with greater efficacy than the competition. **Knock'er Loose®** eases the disassembly of plant machinery, tools and equipment for routine maintenance and emergency repairs. Its super penetrating formula outperforms the competition in penetration, speed and surface coverage as verified by laboratory testing. **Knock'er Loose®** meets all state and federal VOC regulations.

## II. Applications

Recommended for use on nuts and bolts, pins, screws, bushings, clips, hinges, snaps, lugs, caps, locks, washers and sliding mechanisms.

## III. Features & Benefits

- **Extreme Penetrating Action.** Specially formulated to dissolve rust, varnish, gum and corrosion.
- **Improves Performance and Operating Efficiency.** Loosens rusted and corroded nuts, bolts, couplings, fittings, hinges and frozen components.
- **Outperforms the Competition.** As verified by laboratory testing.
- **Corrosion Inhibiting.** Lubricating residue prevents corrosion.
- **360° Valve.** Product can be sprayed from any position – even upside down.
- **NSF H2 Registered** for use in meat and poultry plants.
- **VOC Compliant** nationwide.
