LIQUID FIRE® STARTING FLUID

M3911

Contains upper cylinder lubricant. Starts diesel and gas engines down to -65°F. This diesel fuel additive complies with the federal low sulfur content requirements for use in diesel motor vehicles and non-road engines.

APPLICATIONS:

- Easier Starts for Gas & Diesel Engines

DIRECTIONS: DO NOT FLOOD ENGINE BEFORE USING. Follow engine manual recommendations. Improper use or use in some glow-plug diesels could cause engine damage or bodily harm. Never use with ignition "ON". Step 1: Spray into air cleaner or carburetor for three seconds and stand clear. (Carburetor can backfire). Step 2: Start engine. Step 3: If unsuccessful, repeat steps 1 and 2 up to three times. Step 4: If engine fails to start, have mechanic check ignition.

STORAGE, HANDLING & DISPOSAL: EXTREMELY FLAMMABLE. DO NOT USE NEAR HEAT, SPARKS, OPEN FLAME, OR WITH OTHER CHEMICALS OR GASES SUCH AS OXYGEN. DO NOT SMOKE. Never use with ignition "ON." Turn off sources of ignition (electrical motors, flames, pilot lights, heaters) before use and until vapors dissipate. Container contact with battery terminals or any electrical components can cause flash fire and serious injury. Store in a dry, well-ventilated area below 120°F (49°C). Do not puncture, crush or burn can. Do not keep container inside car or living area. Leaking cans should be disposed of immediately. Dispose of product, container and residue in accordance with all local, state and federal laws regulations.

DANGER: Use only in well-ventilated area. Avoid contact with eyes and skin. Harmful or fatal if swallowed. **INHALING CONCENTRATED VAPORS, INTENTIONALLY OR OTHERWISE MAY CAUSE DEATH WITHOUT WARNING.**

FIRST AID: **INHALATION:** move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION:** If swallowed do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room immediately. **EYES:** Flush with water for 15 minutes while lifting eyelids. Get prompt medical attention. **SKIN:** Wash with soap and water. If irritation develops, get prompt medical attention.

KEEP AWAY FROM CHILDREN AND ANIMALS
