Medical Supplies for the Health and Emergency Professional

Medium O2 Mask

The MedSource Medium O2 Mask is desinged to deliver a medium flow of oxygen to the patient. Each mask is constructed of soft, transparent PVC plastic. The adjustable spandex-terylene strap and nose clip ensure a comfortable fit for every patient. Available in adult, pediatric or infant sizes, each mask comes complete with 7' of star-lumen oxygen supply tubing.

High-Quality "Fits All" Connector

This product is not made with natural rubber latex.
