#### Description

This biodegradable detergent was specifically formulated to replace a variety of specialized cleaners. It replaces floor cleaners, glass cleaners and many other products used to clean walls, counter tops, plastic, tile, fiberglass and other surfaces. The product is an excellent floor cleaner for “scrub and recoat” maintenance programs. This unique detergent is also useful in cleaning walls, woodwork, blinds, porcelain and painted or enameled metal surfaces. The detergent is equally efficient in cold or hot water.
