Description

This product is one of the most unique disinfectants and deodorants of its kind. The blending of a phenol and a quaternary ammonium chloride allows this product to be classified as germicidal, fungicidal, staphylocidal, virucidal, tuberculocidal, pseudomonacidal. Kills HIV-1 (AIDS virus), TB, influenza A2 England Virus and Herpes Simplex Virus I and II on environmental hard surfaces. In addition, it is very effective to control mold and mildew on hard, non-porous surfaces. Excellent for hospital use. Respiratory illnesses attributable to Pandemic 2009 H1N1 are caused by Influenza A virus. This product is a broad-spectrum hard surface disinfectant that has been shown to be effective against (Influenza A virus tested and listed on the label) and is expected to inactivate all Influenza A viruses including Pandemic 2009 H1N1 (formerly called Swine Flu). Outstanding lemon citrus scent. 20 net 16 oz can.
