

## *Replacement Battery for Motorola EM Series*

Motorola's 53615 Replacement Battery for EM Series keeps select Motorola CBs or 2-way radios running. Replace existing battery or keep a spare charged at all times. Have a spare rechargeable NiMH battery on hand. This helps reduce downtime due to a depleted battery.

Compatible with: EM, FV500, FV600, FV800, MC, MD, MJ, MR, T4800, T4900, T5000, T5320, T5400, T5500, T5600, T5700, T5800, T5900, T6500, T8500, T9500 Series  
Does not work with the 7000 or SX700 series.
