

# M-PACT® FINGERLESS

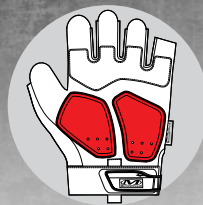

## IMPACT RESISTANT HAND PROTECTION

The M-Pact® Fingerless glove has been designed to combine the utmost dexterity with knuckle protection. Featuring a new sonic welded molded rubber knuckles, and high impact PORON® XRD™ in the palm to absorb more shock and vibration associated with repetitive tasks than its much thicker, traditional EVA foam counterpart.

### FINGERLESS DESIGN

Ultimate dexterity for handling the smallest of items.

### IMPACT PALM

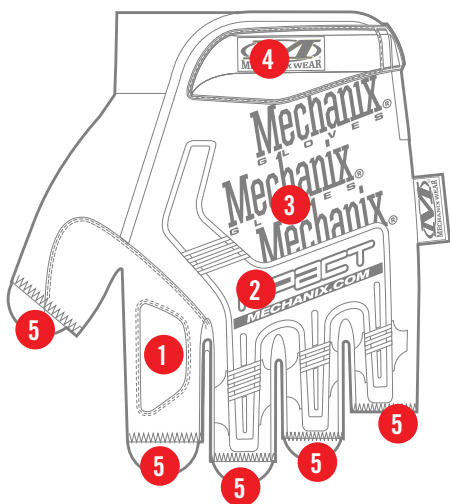

A second layer of material aids in durability with PORON® XRD™ for impact absorption.

# M-PACT® FINGERLESS

AVAILABLE COLORS

MFL-05 BLACK

M/L	XL/XXL
500	540

## FEATURES

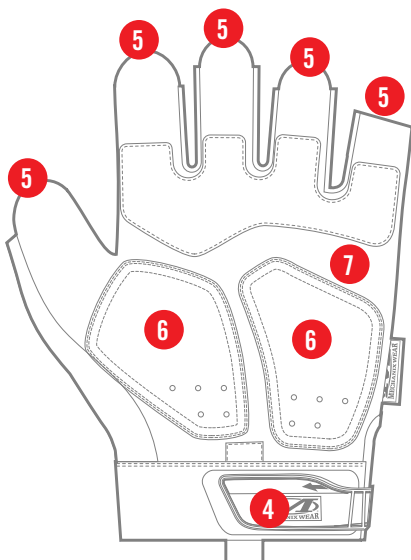

1. Impact Guard™ protects first knuckle with EVA foam covered by rubberized grip material
2. TPR (Thermal Plastic Rubber) on the knuckle and fingers protects against impacts
3. TrekDry™ stretch fabric on the back of the hand provides ventilation and wicks moisture
4. TPR (Thermal Plastic Rubber) hook and loop closure for a secure fit
5. Fingerless design allows for ultimate dexterity when handling small objects
6. Second layer of material with 2mm of PORON® XRD™ for impact and vibration absorption
7. Durable synthetic leather palm
