

PIG® Ham-O® Oil-Only Absorbent Mat Roll

#MAT437 - Heavy-weight • 32" x 150'

Distinctive Ham-O top conceals absorbed leaks and drips of oils and fuels, NOT water.

- Exclusive "hamouflage" top layer makes grime invisible, so you'll leave Mat in place longer and save money!
- Fast-wicking "diaper action" transfers liquids from the top layer into the absorbent inner layers
- Under the Ham-O top layer is the proven eight-layer, 100% polypropylene construction of PIG Mat
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Absorbs oil and fuels, NOT water
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for walkways and large areas to soak up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups
