

# PIG® Absorbent Mat Pack Station

#MAT199 - Medium-weight • 15" x 20"

PIG Mat lasts 2x longer than ordinary mats for fewer change-outs. Absorbs everything. Works everywhere.

- Lasts 2X longer than ordinary mats for fewer change-outs, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mat pack station is perfect for leak- and spill-prone areas
- Corrugated plastic construction makes it strong enough to hang and easy to keep clean
- High-viz yellow is easy to see
- Holds three individual poly packs containing 10 PIG Mat Pads each to let you use only what you need while protected the rest from dirt and moisture
- Medium-weight construction offers great performance for everyday tasks and cleanups

Always in stock. Ships within 24 hours.
