

PIG® Rhino® Poly-Back Absorbent Mat Roll

#MAT2202 - Medium-weight • 31" x 100'

Zigzag stitching PLUS an extra-tough top layer makes this absorbent mat stronger to last longer.

- Thermally bonded spunbond top layer resists wear while zigzag stitching adds strength; won't tear or even ball up under heavy foot traffic
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat
- Achieves the ultra durability of a walk-on mat without losing the liquid capacity of PIG Mat
- Poly back prevents absorbed liquids from reaching floors or counters
- Provides added traction for safer footing

Always in stock. Ships within 24 hours.
