

PIG® Grippy® Toolbox Liner

#MAT3254 - 10.625" x 22" • 6 pads

This one-of-a-kind liner stays put no matter what to prevent bunching and shifting in drawers while cushioning tools and absorbing moisture.

- Specially formulated, full-coverage adhesive backing holds tight but leaves no residue
- Eight layers of fine-fiber polypropylene cushion tools and absorb oily residue or water from air tool exhaust to help prevent corrosion
- Tough, spunbond top layer with heavy-duty zigzag stitching resists rips, tears and continuous abrasion from tools; hides absorbed liquids to keep your drawers looking clean
- Poly backing creates a liquidproof barrier that keeps drawers and workbenches completely dry
- Dark color hides grime so mat stays down longer
- Apply to any clean, dry, oil-free drawer; trims easily with scissors or utility knife
- Small corner cut makes removal a snap
- Can also be used as an absorbent workbench liner to protect surfaces and the parts you're working on
- Smaller liner size is ideal for use in upper cabinets or smaller drawers

Always in stock. Ships within 24 hours.

# per Pallet:	120
Composition:	Absorbent - Polypropylene with Polyester Stitching Backing - Proprietary Material
UNSPSC:	47131901

MAT3254 Metric Equivalent

Dimensions:	27cm W x 55.9cm L
Absorbency:	Up to 2.1 L per package
Weight:	.8 kg

Technical Information

Warnings & Restrictions:

Grippy® Notice

Please note: all adhesives have some potential to lift finish coatings or paint depending on the condition and age of the floor surface. Grippy® Mat is formulated to work with most common industrial floor surfaces, but if you have questions about the suitability of Grippy® Mat for your application, test a 6" x 6" piece in a noncritical area before use.

Certifications, Approvals and Ratings:

NFSI Certified
ANSI B101.1- 2009
