

# PIG® LeakTrapper(TM) Oil-Only Valve Wrap

#MAT471 - 8" x 24" • 5 each

Tie this valve wrap around whatever's leaking and keep oily drips off the ground.

- Cinches tightly around pipes and oddly shaped components like valves, fittings and flanges to capture drips at the source
- Ideal for safely avoiding downtime or service interruption after a leak is discovered; polyethylene drawstrings make installation quick and easy
- Two sheets of highly absorbent 100% polypropylene Oil-Only PIG Mat soak up and retain oils and oil-based liquids - including lubricants and fuels - without absorbing water
- UV resistant up to 1 year based on 12 hours/day of direct exposure
- Impermeable clear polyethylene film helps prevent pollution by keeping absorbed liquids from leaking through
- Bright white color makes absorbed oil easier to see; draws attention to machine leaks and clearly shows saturation level
