

PIG® Oil-Only Absorbent Mat Pad in Bench Box® Dispenser

#MAT4510 - Heavy-weight • 10" x 13" • 100 pads

Lasts 2x longer than ordinary mats for fewer change-outs, while only absorbing oil and fuels, NOT water. Loves oil. Hates water.

- Our most cost-effective mat when you only need to absorb oil-based liquids
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Absorbs oil and fuels, NOT water
- White color tells you it's only for oils and fuels; draws attention to machine leaks and clearly shows saturation level during spill response
- Floats to clean up spills on water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Compact Bench Box Dispenser protects a personal supply of PIG Mat Pads from dirt and moisture; easy to store nearby or take on the go
- Notches on back of box allow for wall mounting or hanging on hooks
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups
