

Refill for PIG® Absorbent Mat Pack Station

#MAT198 - Medium-weight • 15" x 20" • 100 pads

PIG Mat lasts 2x longer than ordinary mats for fewer change-outs. Absorbs everything. Works everywhere.

- Lasts 2X longer than ordinary mats for fewer change-outs, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Use as refill for PIG Universal Mat Pack Station (MAT199, sold separately)
- Printed poly bag identifies the mat and protects it from dirt and moisture
- Individual PIG Mat Packs are easy to handle and reduce waste - ideal for inventory control and on-the-go workers
- Medium-weight construction offers great performance for everyday tasks and cleanups

Always in stock. Ships within 24 hours.
