Expect Excellence.

## LIGHTWEIGHT PADDED HEADSET

Perfect for long-term use by retail sales personnel, hotel, restaurant and hospitality staff, movie crews and entertainment industry users.

The **Lightweight Padded headset** sets the standard in performance, reliability and durability for lightweight headsets. The headset allows for high clarity, discreet two-way radio communications. Comfortable lightweight padding delivers additional comfort necessary for extended wear and is ideal for users working in active, moderate noise environments. An in-line push-to-talk option is also available.
