

THE ORIGINAL® **VENT**

SPECIALTY HAND PROTECTION

When the heat index rises, our Original® Vent glove gives your hands the protection and cooling you need. Perforated synthetic leather palm, fingers and side panels merge with a breathable mesh top, allowing circulation throughout every part of the glove. A strategically placed microfleece thumb panel serves as a convenient place to wipe the sweat inevitably falling from your brow.

PALM VENTILATION

Perforated synthetic leather allows maximum airflow.

TOP VENTILATION

Lightweight breathable mesh keeps hands cool
